

Planning and Zoning Minutes
April 21st , 2009

Present: Mike O’Neill, Russ Barney, Karen Hodge, Pete Linville, Jeff Secrest

Meeting Minutes for April 7th, 2009 were tabled for more information.

Teton County Housing Authority/ Robert Emerson from the Teton County Housing Authority visited with the commission and explained the work that the information the organization had put together through a survey they had conducted around the valley for what people were looking for as far as housing in the valley. They talked to employers of some of the critical services in the valley to see what housing issues were the employees were facing for the future.

The Housing Authority will be holding a meeting May 16th and May 26th to help educate and network private and public stakeholders for a better solution to the housing problems.

Review of the proposed sign ordinance/ The Commission expressed concerns about the size of signs allowed in the Residential zones. There were comments about the R zones being allowed to have portable signs and signs measuring 20 square feet for a home occupation. There were ideas that were circulated by the board but nothing settled on to suggest changes. It was suggested that the commission reviews the document over google docs and make suggestions over the web site.

The meeting was adjourned.
